## AUDIT REPORT OF INDEPENDENT ACCOUNTANTS

### English Translation of a Report Originally Issued in Chinese

To Young Optics Inc.

#### **Opinion**

We have audited the accompanying parent company only balance sheets of Young Optics Inc. (“the Company”) as of December 31, 2024 and 2023, and the related parent company only statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2024 and 2023, and notes to the parent company only financial statements, including the summary of material accounting policies (collectively “the parent company only financial statements”).

In our opinion, the parent company only financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and its financial performance and cash flows for the years ended December 31, 2024 and 2023, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagement of Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Parent Company Only Financial Statements section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the “Norm”), and we have fulfilled our other ethical responsibilities in accordance with the Norm. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of 2024 parent company only financial statements. These matters were addressed in the context of our audit of the parent company only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Valuation for inventories

As of December 31, 2024, the Company's net inventory amounted to NT\$262,120 thousand, which is significant for the parent company only financial statements. Due to the uncertainties arising from the rapid changes of technology and market environment, the assessment of obsolete and slow-moving inventory write-downs required significant management judgement, we therefore determined this as a key audit matter. Our audit procedures included, but not limited to, evaluating and testing the design and operating effectiveness of internal controls around inventories; evaluating the inventory counting plan and choosing significant warehouse for observation of the physical inventory count to verify the quantity and the status; evaluating and testing net realizable value of inventories adopted by the management; evaluating the reasonableness of the accounting policies on obsolete and slow-moving inventory, including the identification of the obsolete and slow-moving inventory, testing the correctness of the inventory aging and the reasonableness of the allowance for inventory obsolescence amount. We also assessed the adequacy of disclosures of inventories. Please refer to Notes 4, 5 and 6 to the parent company only financial statements.

### Revenue recognition

The Company recognized the revenue amounted to NT\$2,142,915 thousand for the year ended December 31, 2024. Main source of revenue comes from projection products and imaging-related products sales. The Company recognized revenue when transferring a promised product to a customer. The trade terms of the products agreed in their contracts are different when the performance obligations were satisfied. As a result of the higher complexity of revenue recognition, we determined the matter to be a key audit matter. Our audit procedures include, but not limited to, assessing the appropriateness of the accounting policy for revenue recognition; evaluating and testing the effectiveness of internal controls within the revenue recognition; selecting the top ten clients to perform testing of transaction and reviewing significant terms and conditions in the contracts; selecting samples to perform details testing of transaction and verifying the appropriateness of the timing of revenue recognition; viewing their transactions certificate and performing cut-off procedures on selected samples for a period before and after the reporting date; reviewing subsequent significant sales returns and discounts. Please refer to Notes 4 and 6 to the parent company only financial statements.

### **Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements**

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers for such internal control as management determines is necessary to enable the preparation of parent company only

financial statements that are free from material misstatement, whether due to fraud or error. In preparing the parent company only financial statements, management is responsible for assessing the ability to continue as a going concern of the Company, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the financial reporting process of the Company.

### **Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements**

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Company.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty

exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of the Company. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the accompanying notes, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2024 parent company only financial statements and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **AUDIT REPORT OF INDEPENDENT ACCOUNTANTS**

### **English Translation of a Report Originally Issued in Chinese**

To Young Optics Inc.

#### **Opinion**

We have audited the accompanying consolidated balance sheets of Young Optics Inc. and its subsidiaries (“the Group”) as of December 31, 2024 and 2023, and the related consolidated statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2024 and 2023, and notes to the consolidated financial statements, including the summary of material accounting policies (together “the consolidated financial statements”).

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2024 and 2023, and its consolidated financial performance and cash flows for the years ended December 31, 2024 and 2023, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed and became effective by Financial Supervisory Commission of the Republic of China.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the “Norm”), and we have fulfilled our other ethical responsibilities in accordance with the Norm. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of 2024 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Valuation for inventories

As of December 31, 2024, the Group's net inventory amounted to NT\$406,458 thousand, which is significant for the consolidated financial statements. Due to the uncertainties arising from the rapid changes of technology and market environment, the assessment of obsolete and slow-moving inventory write-downs required significant management judgement, we therefore determined this as a key audit matter. Our audit procedures included, but not limited to, evaluating and testing the design and operating effectiveness of internal controls around inventories; evaluating the inventory counting plan and choosing significant warehouse for observation of the physical inventory count to verify the quantity and the status; evaluating and testing net realizable value of inventories adopted by the management; evaluating the reasonableness of the accounting policies on obsolete and slow-moving inventory, including the identification of the obsolete and slow-moving inventory, testing the correctness of the inventory aging and the reasonableness of the allowance for inventory obsolescence amount. We also assessed the adequacy of disclosures of inventories. Please refer to Notes 4, 5 and 6 to the Group's consolidated financial statements.

### Revenue recognition

The Group recognized the revenue amounted to NT\$2,572,028 thousand for the year ended December 31, 2024. Main source of revenue comes from projection products and imaging-related products sales. The Group recognized revenue when transferring a promised product to a customer. The trade terms of in the products agreed in their contracts are different when the performance obligations were satisfied. As a result of the higher complexity of revenue recognition, we determined the matter to be a key audit matter. Our audit procedures include, but not limited to, assessing the appropriateness of the accounting policy for revenue recognition; evaluating and testing the effectiveness of internal controls within the revenue recognition; selecting the top ten clients to perform testing of transaction and reviewing significant terms and conditions in the contracts; selecting samples to perform details testing of transaction and verifying the appropriateness of the timing of revenue recognition; viewing their transactions certificate and performing cut-off procedures on selected samples for a period before and after the reporting date; reviewing subsequent significant sales returns and discounts. Please refer to Notes 4 and 6 to the Group's consolidated financial statements.

## **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed by Financial Supervisory Commission of the Republic of China and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the ability to continue as a going concern of the Group, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the financial reporting process of the Group.

## **Auditors' Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate

to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Group.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of the Group. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the accompanying notes, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2024 consolidated financial statements and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Others**

We have audited and expressed an unqualified opinion on the parent company only financial statements of Young Optics Inc. as of and for the years ended December 31, 2024 and 2023.
